

WAMPUS CAT

Dear John Robert,
I have really appreciated
your friendship this year.
You are one of the sweetest
boys I've ever met. I know
you will go far in life. Go
luck always.

John Robert,
It's been fun having
speech with you.
Lots of luck.

Love,

THE WAMPUS CAT

Johnny,

Well, I won't be seeing you at school
anymore after this year. (I don't think!!) But
if you keep coming to church and I do, too,
then it won't be so bad. You're really a
wonderful guy besides being very good looking
and a real gentleman when the occasion calls
for it!! You are also a lot of fun. If it hadn't
been for you, Diane & I would have
had a lousy time in Bethany. But, good
ole Johnny came to our rescue with his
great humor and great personality. I'll miss
seeing you if I ever go away or never see you
anymore. (due to certain conditions, if you know what
I mean) But I'll always remember you. You're one person no one
could forget easily (esp. a girl!! He!) Best of luck
in the future and in everything you do.
Stay as sweet and nice as you are and you
will really go far. May you always get
what you want that will be good for you. And
May God bless and keep you.

Love ya,
Linda

Hail to the blue and white,
in all its radiant splendor,
Hail to the school we love;
our hearts to thee we render.
Praise and honor, true devotion,
each we give with deep emotion;
Ever of our lives a portion,
Alma Mater Hail!

Dear John Robert,
We've really
had a blast we
this year, haven't we?
I'll never forget

The unfailing loyalty of each class...the pride felt as the
Alma Mater is sung...a rough ball game...a teacher's concern...

these little things we will remember most as time passes on.

If you are not able to remember these little things, a part

of your future will be lost. To help you retain these memories,

we, the annual staff, present the 1967 Wampus Cat.

Administration

The 1966-67 school year has afforded the Conway High School student body, faculty, and administration many things of which we can be proud. Conway High School students have worked hard and diligently in their classes and extra-curricular organizations in order to represent our schools well, and many more plans are being made now for future endeavors and accomplishments.

Conway High School students are fortunate to have the many opportunities offered to them by our own schools, the city of Conway, and the fine colleges of higher learning located in Conway.

Together with these opportunities and the deep loyalty and devotion the students have towards our schools, great things are being done and can be predicted for the finest group of students in ARKANSAS--THE CONWAY HIGH SCHOOL WAMPUS CATS.

I would like to commend the Annual Staff for all their effort in producing this yearbook. It is a fine achievement that could not have been accomplished without their hard work.

This has been a year of many achievements. We have had a curriculum study program to help select the subject matter areas to be taught in Conway High. We will watch with interest the construction of our new high school building. We have had a fine year in athletics and in club work all of which help to support our school. The most important accomplishment of all, however, is to be able to say that during this school year we have done our best academically. I trust this year has been most pleasant and profitable to you.

Mr. Carl Stuart, Principal

Mr. C. J. Robinson
Assistant Principal

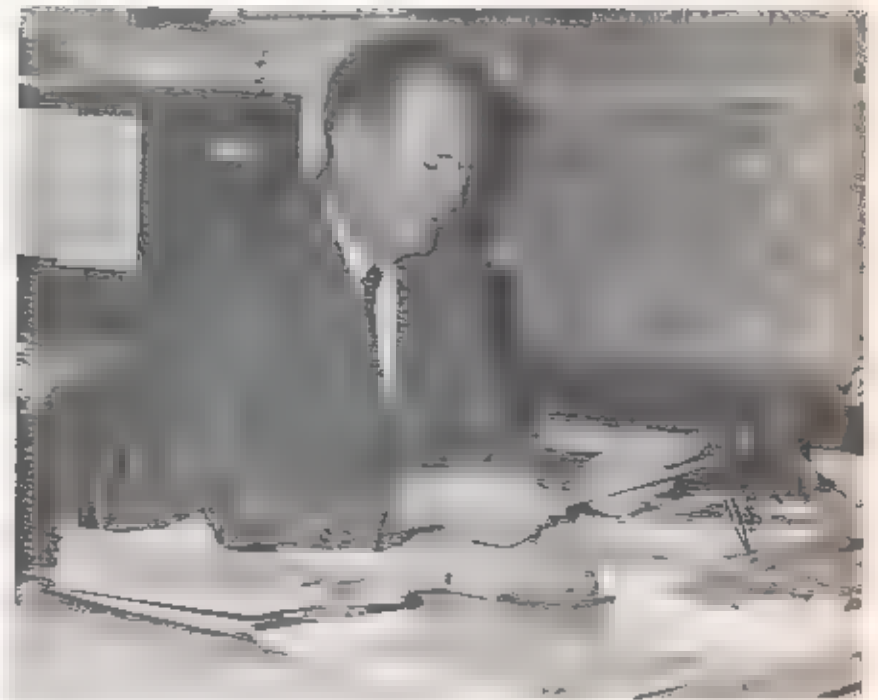

Mrs. Jack Jumper
Secretary

Mr. William Glenn

Mr. Stanfill is constantly working to better the Conway school system.

Mr. Stuart works hard to keep our school running efficiently.

Mrs. Jumper proves her ability as an excellent secretary in all that she does.

Coach Robinson works from early till late as both assistant principal and basketball coach.

Faculty

In a progressive world it becomes essential for citizens to have an education. It's the teacher's responsibility to provide every student with an opportunity to receive an education. The teaching staff of Conway High School set the pace for the school year and lay the basis for the knowledge gained through willing and eager participation. The influence of the teacher cannot be measured through the school years only. Their impression on students will go beyond these years and effect the students' later life. This influence can be the force to build good citizens.

Mrs. Jack Jumper
Mrs. Jumper, who has been our secretary for eight years, does a remarkable job keeping our varied school activities running smoothly and efficiently.

CURRICULUM

English

"Now if she would just let us make up the test...."

The English department stresses the five communication skills of listening, thinking, reading, writing, and speaking. The department also gives a greater knowledge and understanding of World literature, American literature, and English literature.

"Don't just stand there, help me!"

"I'm so glad you wanted to stay past the bell."

Foreign Languages

"I'm so glad it's Friday."

6th period

"Uh, anytime now, Rex."

During the first year of Latin, students study grammar and basic fundamentals. Those who continue with Latin obtain a broader outlook of Roman life through the study of Caesar's works.

Spanish gives a larger knowledge of the ways and customs of Spanish speaking people and teaches the student to speak, hear, and write the language.

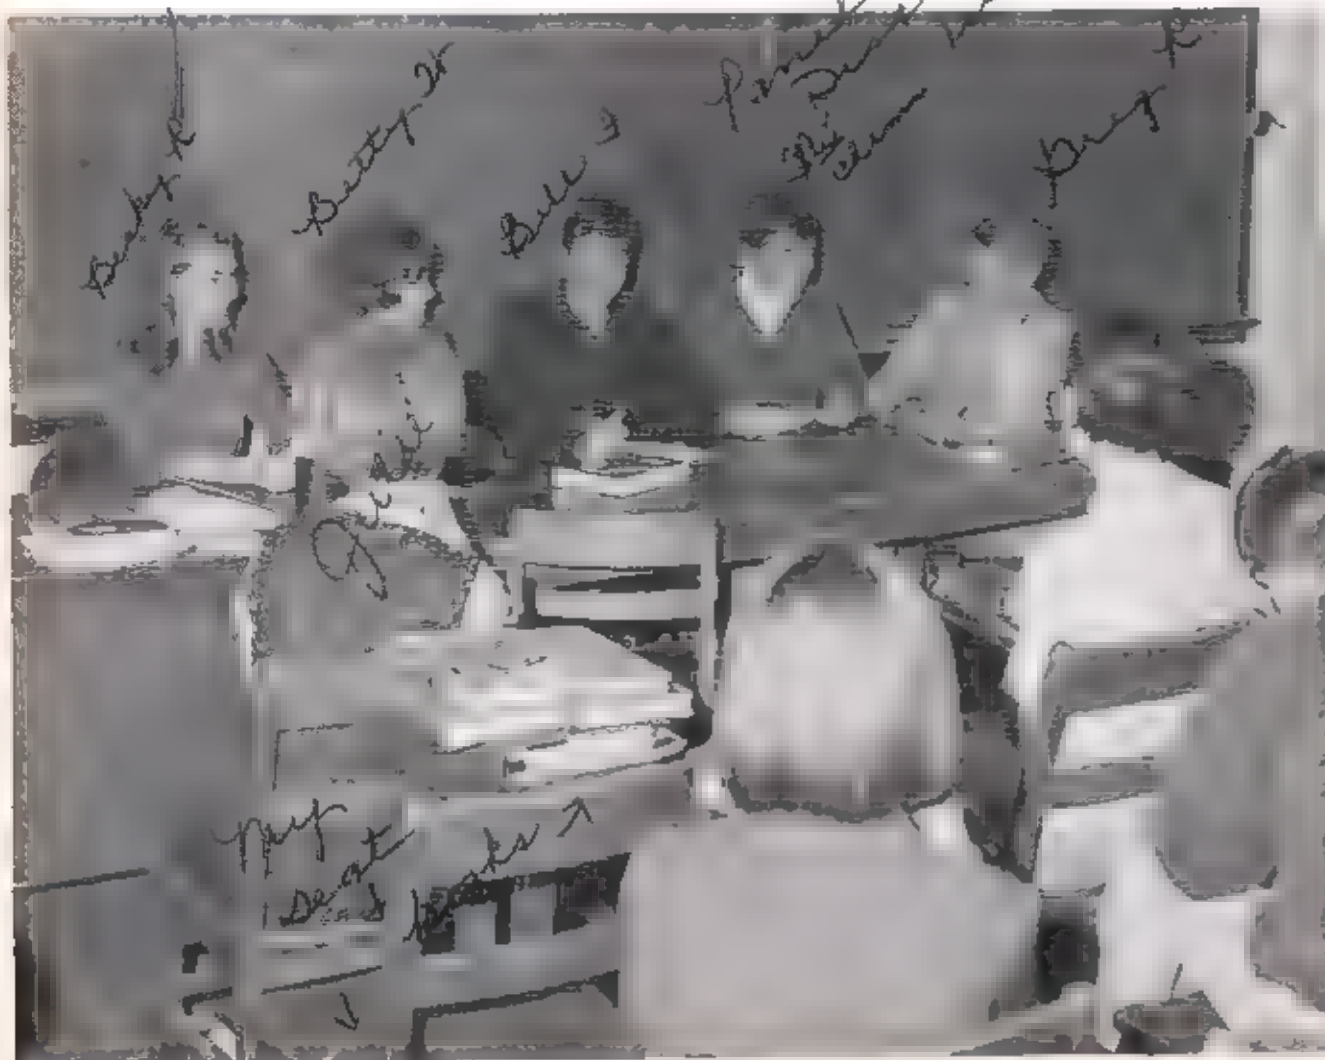

Did you say you were on the honor code?

A black and white photograph showing a group of approximately ten people, both men and women, gathered around a large table. Some individuals are seated in chairs, while others stand behind them. They appear to be engaged in a formal or semi-formal meeting or discussion. The room has a simple interior with a framed picture on the wall in the background. The image is somewhat grainy and has a historical feel.

50. 50. 50.

"By George, I think she's got it!"

Meet the press!

Speech class deals primarily with public speaking and the techniques of being a successful speaker. Some of the qualities of good speaking--expression, good grooming, poise, and true appreciation of drama--are studied, discussed, and practiced.

Better known as the Wampus Cat staff, the Journalism class publishes a school paper once a month. These students work daily to give us a paper of which we can be proud.

Typing and Shorthand

"Got your fingers hung in the keys again, huh?"

"10 words and 23 mistakes?"

Although typing is offered only one year, one may learn more advanced skills in typing by taking shorthand. Shorthand students learn not only how to take dictation, but also important secretarial skills.

"The great thinkers"

Psychology, Economics, Introduction to Business

"Coach, I think you are slightly outnumbered!"

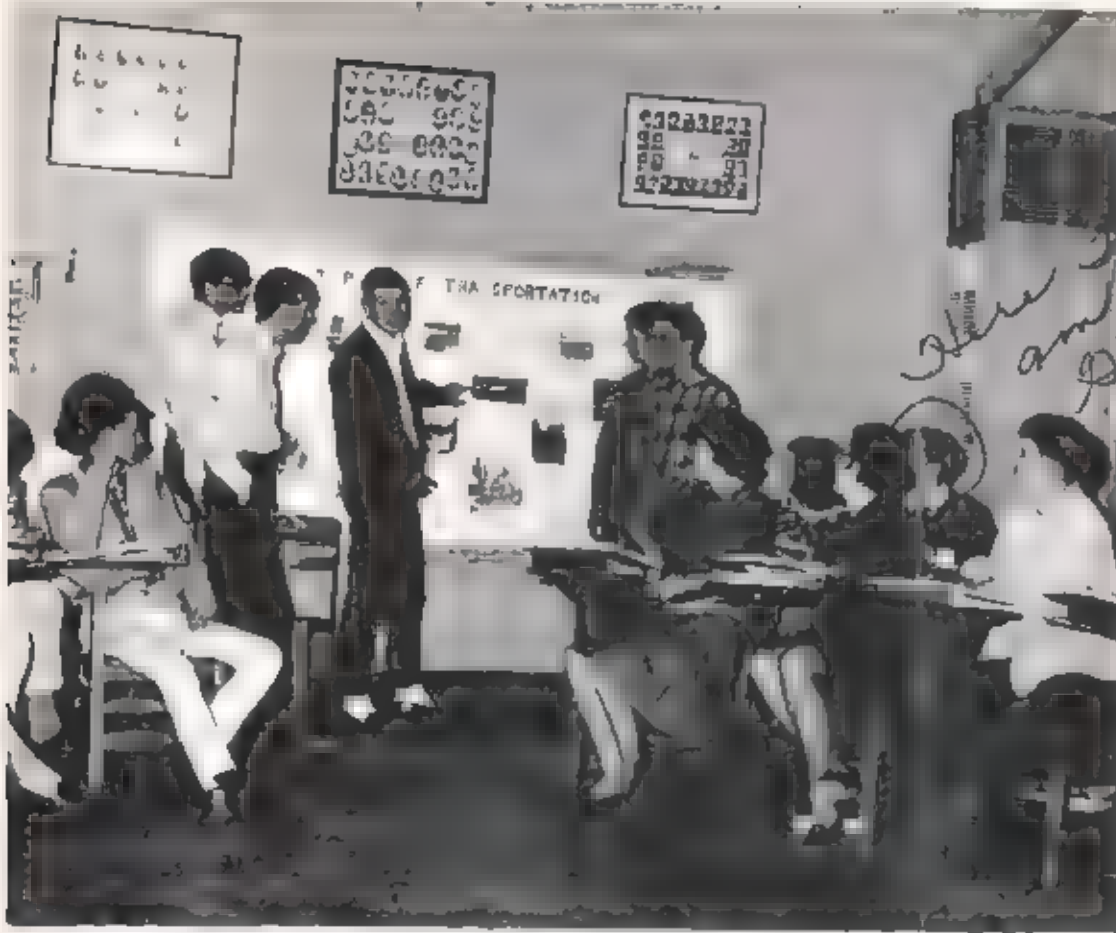

"Would you believe...artwork?"

Psychology helps the student to learn and understand human nature more thoroughly. Economics deals with the financial situation of the United States while Introduction to Business deals with the basic principles of the business world.

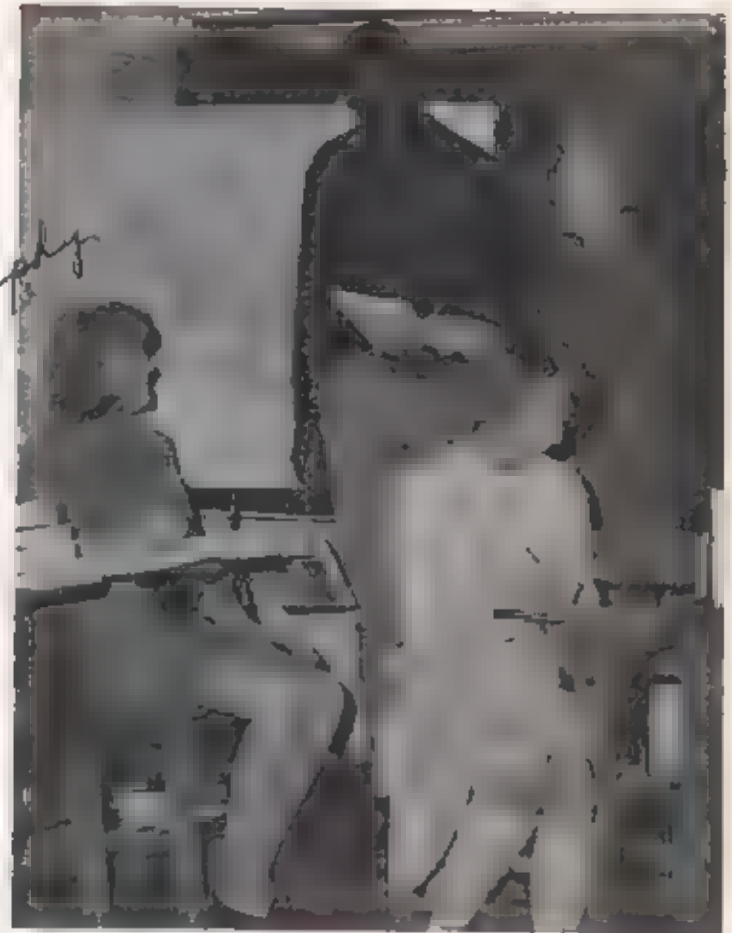

"Any volunteers to be a guinea pig?"

History

"That's my dad's new GTO."

"Yes, special reports are due Monday."

Although only American history is required, geography, government, and world history are offered. These courses include many interesting topics both past and present.

"...and this is the land of opportunity."

"Now where is Fort Lauderdale?"

Math

"Would you believe six?"

"Is this the shortest distance between two points?"

A wide selection of math courses is offered: Algebra I and II, Plane Geometry, Trigonometry, and Senior Math. These courses are designed to challenge a student's thinking ability.

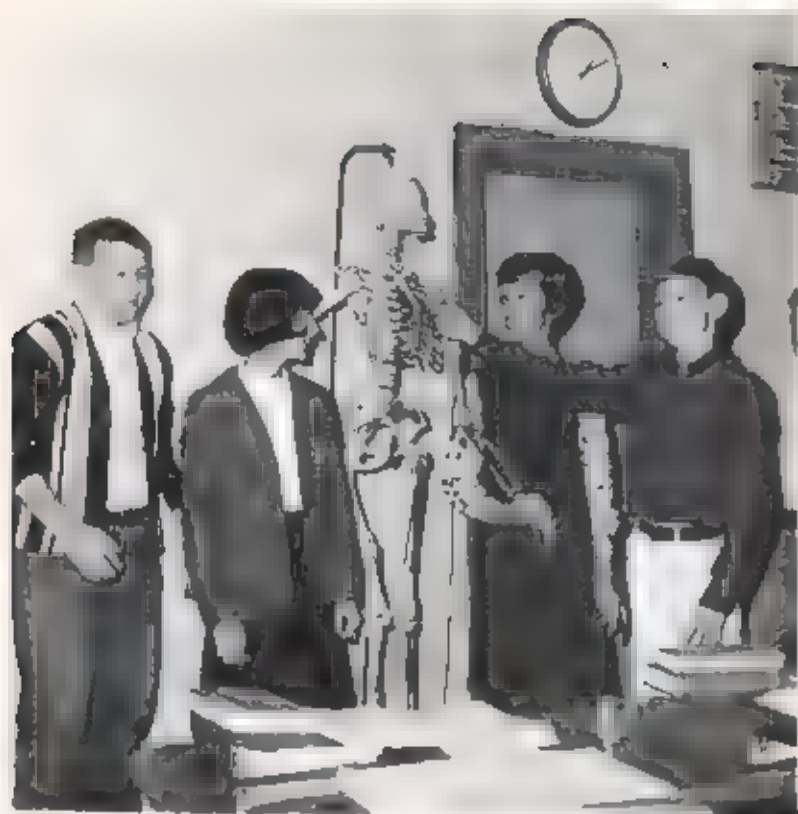

"But Mr. Anderson, I never make a mistake."

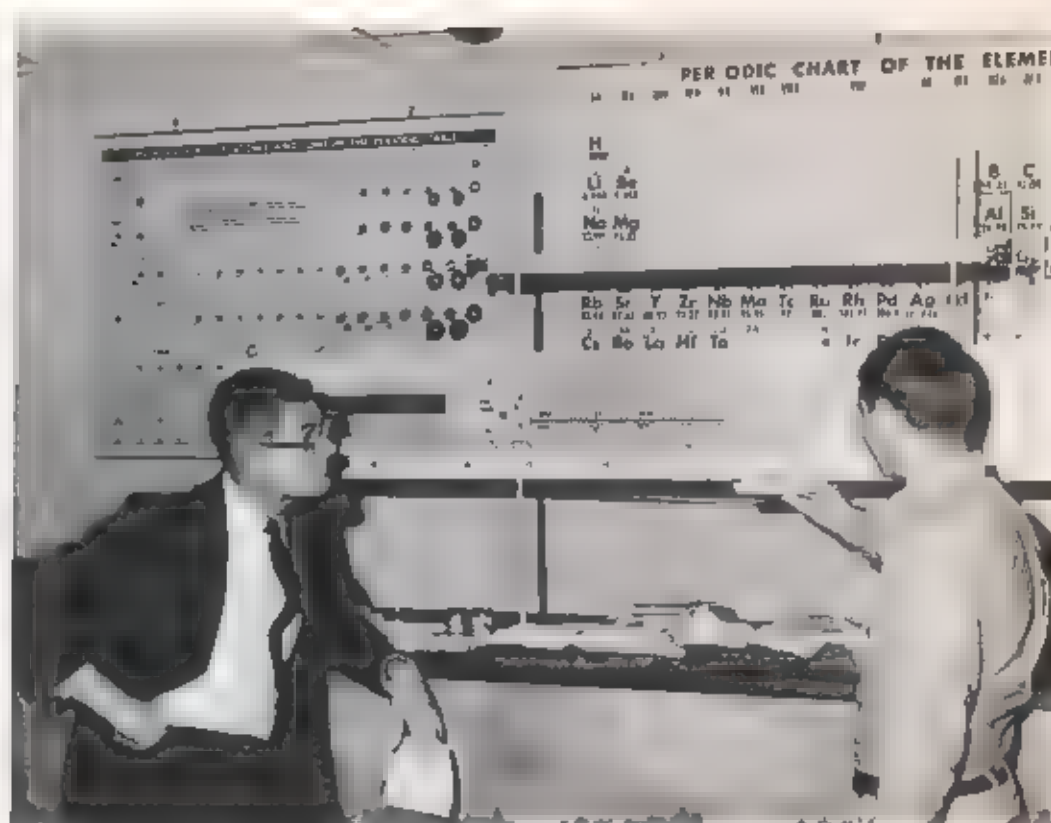

"Mrs. Koon, those lines are parallel, aren't they?"

Science

"You get your cotton-pickin' hands off of my sister."

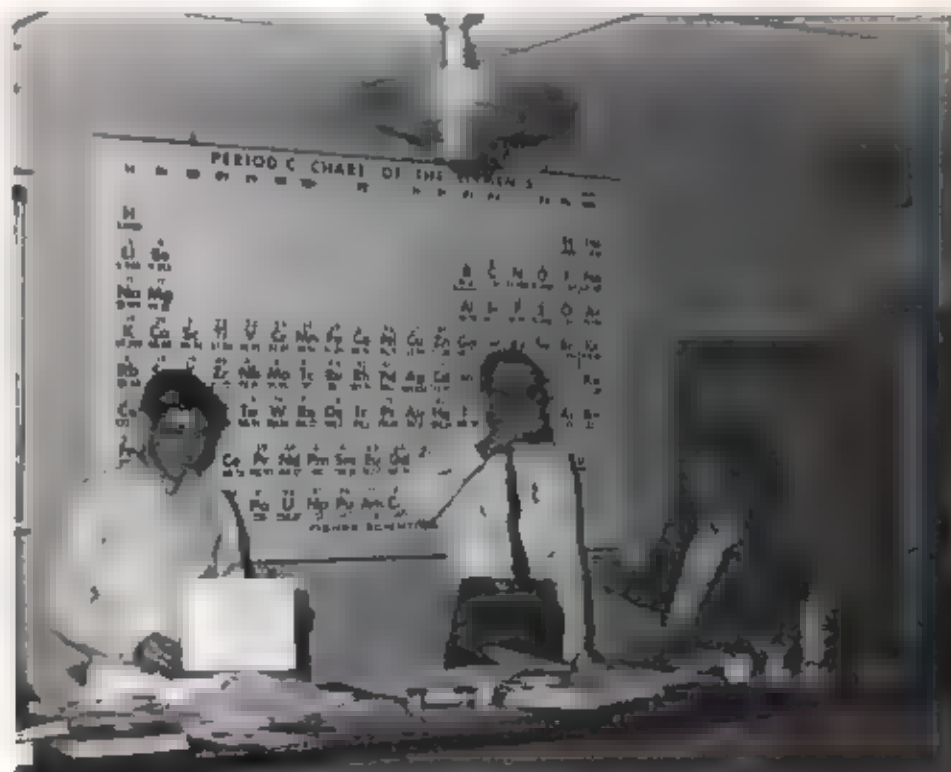

"They sure don't make slides rules likes they used to."

Along with biology, chemistry, and physics, advanced chemistry is being offered this year. By the end of the year science students will feel as if they were married to their slide rules, test tubes, and microscopes.

"This can't be right!" You mean I don't have to pencil-whip it!"

"But wait, that's H_2SO_4 not $H_2O!$ "

Library and Study Hall

"What me study?"

Along with many new books the library has obtained new speed-reading equipment. Students are able to keep up with the latest news and current events by the facilities available in the library.

Because of the large increase in the Student Body, the Study Hall is located in the auditorium, which offers a quiet place to concentrate.

Smile you're on candid typewriter!

"Um, they don't spell it that way either."

Physical Education

"...and around the club-house turn comes...Kent Griffith?"

Boys' P.E. play...badminton?

Physical education helps to develop co-ordination, good health, and skills, as well as good sportmanship. This year a class for the Wampusettes and Cheerleaders was started.

Concentration plus.

"Look! Up in the air! It's a bird? It's a plane? No! It's super ring!"

Home Economics and Shop

"We've just got to find that penny."

Home economics offers budgeting, marketing, decorating, houseplanning, child care, sewing, and cooking up to a third year level to girls wishing to take it.

Since farming has become more mechanized, more emphasis is being placed on the use and care of farm machinery and shop. The boys also gain first hand knowledge through home projects.

The biggest text book in school

"I think they found out!"

Music

"We don't count the hours."

Marchers' Perfection!

This year the band has not only grown in quantity but also in quality. It has played an important role in adding to our school spirit.

Each year the Glee Club presents a Christmas program and an Easter pageant. They also present programs around Arkansas.

"Many a night was spent"

Guidance

"Here's how we can work it out --"

Guidance counseling is an essential part of our high school because it helps the students plan their courses and prepare for the future.

"This finishes the job."

Dear John Robert —

Received

Well, we've known each other about 12 years now, and they're gettin' better all the time!! 'Member Miss Pat's and all the fun times there?! 'Member those Halloween deals (I've forgotten what you call them!) and gettin' sprayed and all! What a blast! HH!

Music has been fun(?) and all our recitals and stuff. I've really have had a good time shakin' together out in the hall.

Most of all though, I'll never forget workin' on our beautiful prom! It really was great! We ran into a few problems (like finding out the night before the prom we were 3 flats short and the pond breaking at 4.00!!) but in spite of it all it turned out O.K. Your musicians were beautiful! HH! No, they were.

I'll never forget you and 2nd period English and the Prom and every-thing! John Robert, you're a great guy with a real fun personality. Always stay as wonderful as you are now and your life will be full of friends! Remember me and good ol' CHS **CLASSES** always! Good luck!

Love ya loads!

Hey Ward,
I wanted to
write on this
page for several
reasons - wit
mainly because
there wasn't
any more room
boys I sure
didn't know you
had so many
friends (joking
here)! Really
now... I think
you're an
OK kid! That's
I think you
are not only
good-looking,
nice & friendly
to EVERYBODY, but
you have one
of the best
reasons -
all this
adds up to
one
all-
round
boy! And
you've got
every bit of
it!

Junior Class Officers are (from left to right) Vice-President Kenne Ketcheside, Secretary Pat Havens, President Russell Williams, and Treasurer Johnny Ray.

Have you a friend
for always,

Juniors

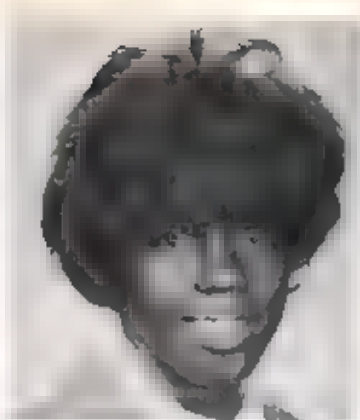

I'm so glad
that we're the
kind of friends
that we are! I
know that you're
one kind of friend
who can under-
stand and help
people (like me)
with all their
many, MANY
problems. I hope
we have a lot
of classes together
next year so we can
catch up on all our talking!

All right, Gerald, you're not supposed to be lookin'.

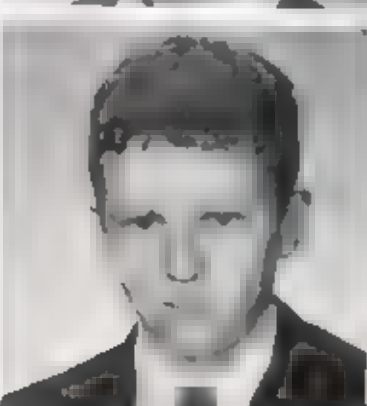

Junior girls stop their chatter long enough to pose for a picture.

Hill Day Queen

Mary Jane Reigns as Hi-Day Queen

Queen Mary Jane King and Maid of Honor Elaine Nooner, who were chosen by the football team, and six maids chosen from the Sophomore, Junior, and Senior classes, presided over the 1966 Hi-Day activities.

Queen Mary Jane was crowned during the field ceremonies before the game with Batesville. When the game was called off at half-time because of rain, Conway led with the score of 19 to 0.

The Hi-Day activities were rounded out with a dance in the Gym put on by the Peppers Club. The Grand March was led by Queen Mary Jane and her court.

Activities Begin with Assembly

The 1966 Royalty were presented to the Student Body during a morning assembly. Senior football players served as escorts for the Royalty. The Hi-Day Royalty and their escorts were: Queen Mary Jane King--Kelly Dunlap and Kenny Smith; Maid of Honor Elaine Nooner--Johnny Tyler and Don White; Senior Maid Elaine Gresham--Joe Bell and Gary Ingram; Senior Maid Kaye Hoggard--Bo Warren and Walter Ed Allison; Junior Maid Patti Satterwhite--Bill Thomas; Junior Maid Betty Weeks--Ed Diles; Sophomore Maid Barbara Baker--Robert Henson; Sophomore Maid Paula Hall--James Favre.

Kenny Smith presents Queen Mary Jane with flowers.

Rainy weather did not prevent H1-Day dances from being a big success.

Queen and her court presided at afternoon Lettermen's coffee.

Who's Who

The Who's Who Contest is sponsored by the annual staff to recognize student personalities, all of whom are selected by student vote. This year we have added the categories of Most Feminine and Most Athletic, Friendliest, and Most Dependable. Wide student representation is assured, since no student can win in more than one category. The annual staff takes this opportunity to present these winners.

John Robert,

Well son, here we are mighty seniors of 6'8". Don you believe it. I've really enjoyed knowing you all these years. You really made the trip to Mexico Chiquito worth while. I hope we'll have just as much fun next year. I want to wish you all the luck and happiness in the world cause you certainly deserve it.

Student Council

The Student Council is a representative organization. It is through this organization that the student body has a voice in the running of our school. This year's council has sponsored the school store and has put on a radio program on KCON. They have had volley ball games and talent shows to raise money to put on

a Christmas dance and to sponsor Twirp Week.

The Council is composed of twenty-four members and nineteen alternates. All members serve on at least one committee. Alternates serve in the absence of their homeroom representative.

These boys serve as fire marshalls and help Kelly Dunlap, Fire Chief.

Officers for this year are: President, Dale Nutter; Vice-President, Dick King; Secretary, Mary Jane King; Treasurer, Terry Milam.

This year's alternates are as follows: Top Row; Left to right: Joe Bell, Bob Fraser, James Ingram, Bo Warren, Danny Ratliff, and Polly Ann Milam. Second Row: John R. Ward, Chuck Jackson, Tommy

Mabry, Dick Cisne, Blake Browning, and Greg Rawn. Front Row: Allen Jones, Cecil Clements, Doyle Young, Karen Boles, and JeJo Mobley. Not Pictured are Ted Smith and Tim Reddin.

Terry Milam, Ricky Reid, Gary Yarbrough, who is chairman, and Owen Floyd are members of the Volley Ball committee. They are in charge of planning and carrying out this project.

Juniors battle it out at a volley ball game.

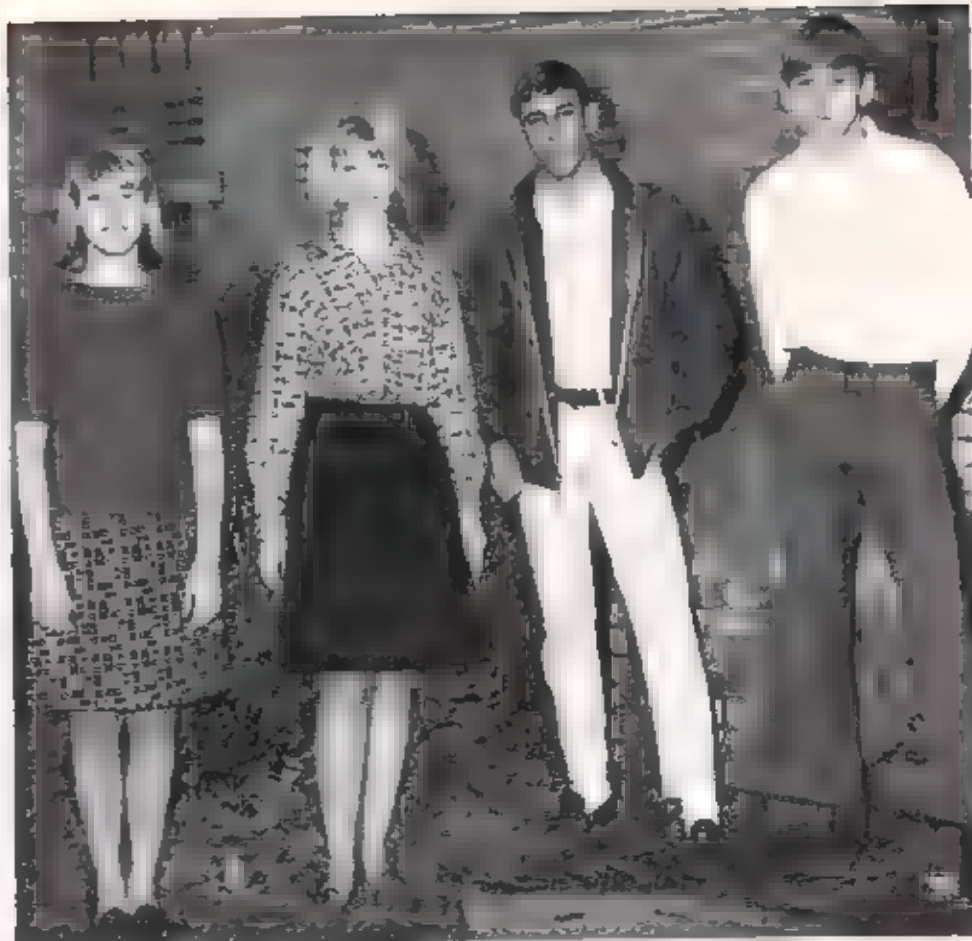

Mary Webb, Jimmy Loyd, Cathy Maxey, Jerry Reed, and Mike New (not pictured) are members of the Special Activities committee.

Connie Bass, reporter for the Council for the radio program on KCON talks with Pat Havens, who serves as typist.

Gary Ingram, Jill Gordy, Barbara Baker, and Judy Reynolds serve on the Communications Committee. They serve as D.J.'s on our radio program.

Barbara Baker, Sarah Spencer, Scotty Moon, and Roger Starkey serve on the Social Committee.

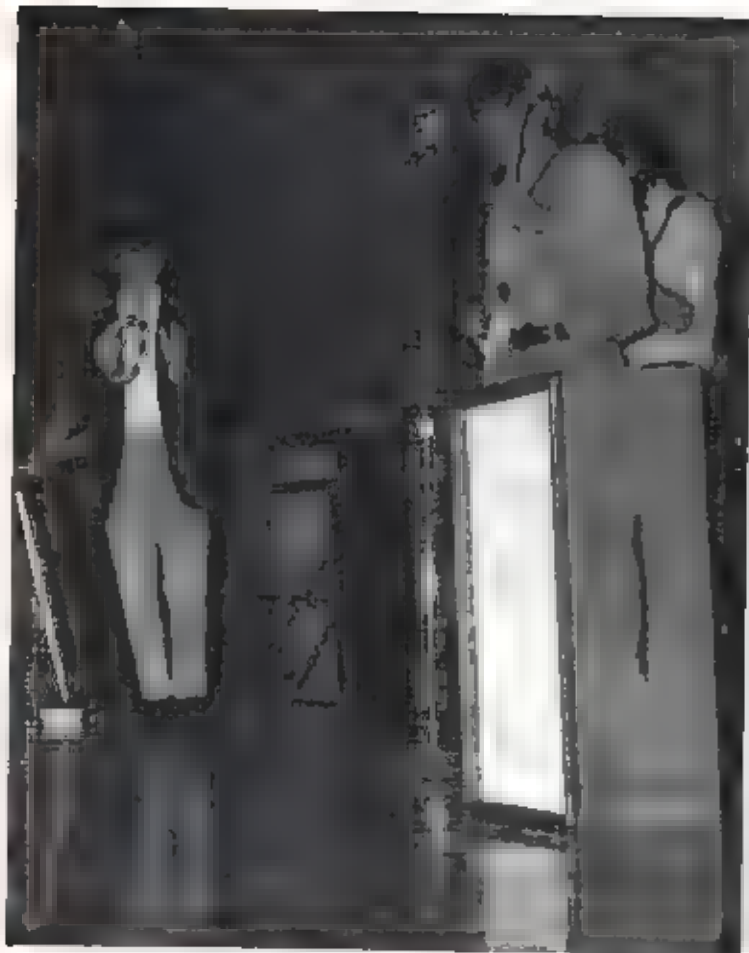

Pat Havens, Lynda Whitley, Linda Beene-chairman, and Steve Fulmer serve on the Assembly Committee.

Pat Havens, Connie Bass, Linda Beene, Terry Milam, and Barbara Baker take turns selling pencils and paper each morning before school.

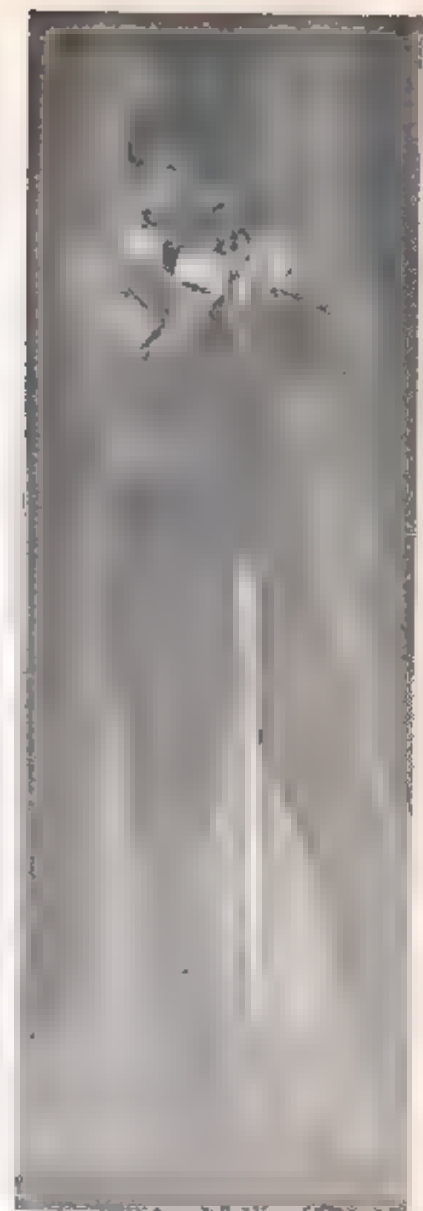

Student Council Activities

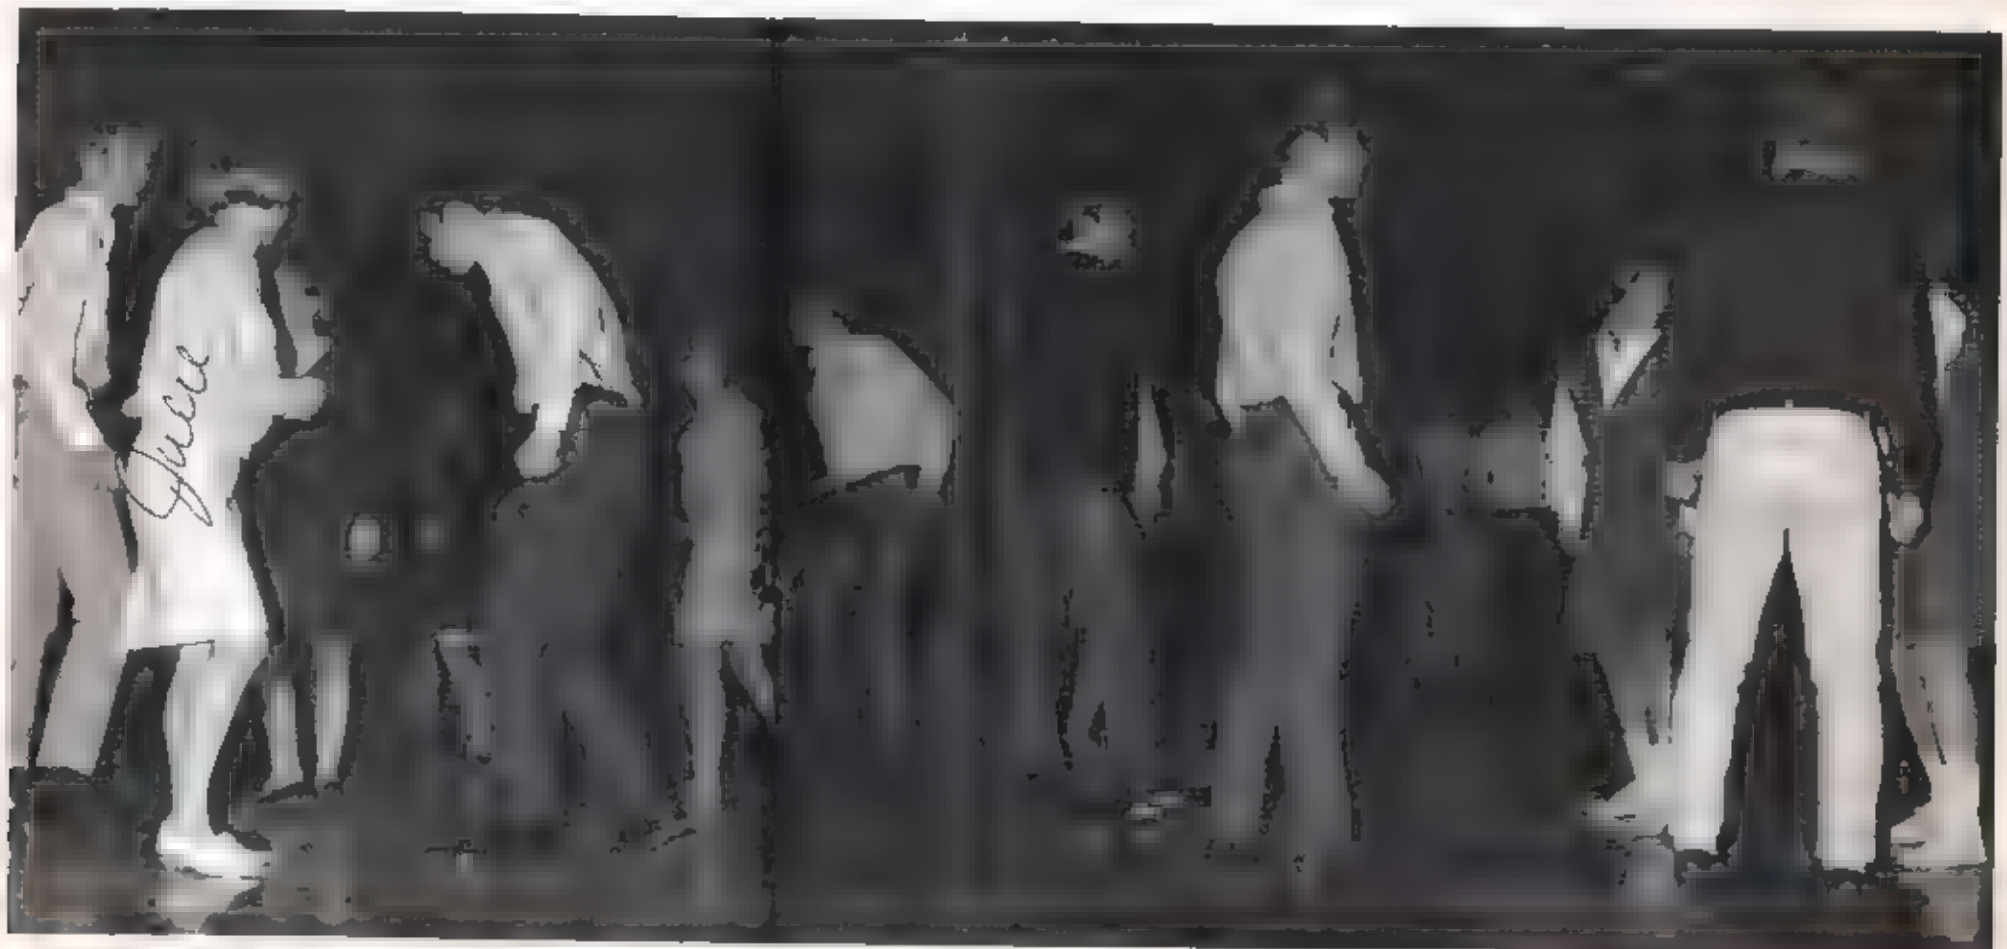

The "Dukes of Earl" play at dance.

Vicki Greene, Janet Ledbetter, and Pat Havens sing at talent show.

Dale Nutter plays his harmonica at the talent show.

Students enjoy dance before they get out for Christmas vacation.

The members of the National Honor Society are chosen on the basis of Scholarship, Leadership, Character, and Service to the School. The requirements for membership are at least a 4.5 grade point average, membership in either the junior or senior class, and completion of one year at Conway High School.

The National Honor Society this year consists of forty-seven members.

This is not an active organization, but serves to give recognition to those who are outstanding in the above mentioned traits.

One of the most important groups for promoting school spirit is the cheerleaders. They boost the Cats to victory by leading the students in cheers at bon-fires, pep assemblies, parades, and football and basketball games.

Eleven cheerleaders, nine regulars and two alternates, were selected by members of the Conway High School student body in try-outs held late in May of 1966. Mrs. Jim Boardman is the group sponsor.

The Christmas party always means good food and fun for the Library Club.

The Library Club is the chief service club at CHS. Its members help others locate books and other materials and help them familiarize themselves with library procedures. Assistants check books in and out, shelve books, and further aid Miss Freida Cummings, librarian, in any way that they can. Annual social highlights are the Christmas party and the spring picnic. The Library Club has been an active charter member of the Arkansas Student Librarians' Association, and this year Judy Isaacs serves as its recording secretary.

There is never a dull moment in the supposedly quiet library.

The third period workers posed for their pictures.

110 With four helpers he should have no trouble finding what he needs.

The Library Club officers are often seen with Miss Cummings.

I wonder what the name of that book is?

...and who do you think was the first to go back for seconds?

The thought of Thanksgiving vacation always brings smiles.

Entertainment? The library club has everything in the way of talent.

Oh, Phil, we're over here!

The Latin Club, with 114 members, is the largest organization at CHS. It teaches students more about the art, culture, and times of the Roman civilization.

Many activities, including a slave sale, Roman banquet, induction ceremony, Saturnalia, and State J.C.L. Convention, make up a very busy year for the members.

This year the club is especially proud of Gary Ingram who was elected to serve as the 2nd Vice-President of the State Junior Classical League.

Spanish Club

The main objective of the Spanish Club is to learn more about the customs and culture of Spain and Spanish America.

Because of the increased membership, meetings were held in chapters this year. The students who have completed two years of Spanish are Castilians, second year members are Creoles, and the first year members are Peons.

Events for the year included the Christmas party held at Brownings in Little Rock, the annual trip to Mexico Chiquita, and Spanish Club play.

The Conway Highway School Band is one of the most outstanding bands in the state. In November of this year the CHS band topped off a successful season of marching by entering the Arkansas A&M marching contest. In this contest bands were entered from all over Arkansas and surrounding states. Conway received a First Division, the highest rating received by any band in the contest. The tremendous success of our band is attributed to the capable direction of Mr. Russell Langston.

The band is also an important instrument in building school spirit. The group plays at all pep assemblies, home football games, and most out-of-town games. After the marching season, the band turns to concert music. The year's work is climaxed with a concert in late spring.

Peppers Club is one of the older and more active clubs in Conway High School. It is an organization which builds pep, promotes school spirit, good sportsmanship, and school allegiance.

The main responsibilities of the members are sponsoring Hi-Day activities, the Athletic banquet and dance, selling score-cards, and decorating the goal posts at all home games.

Persons wishing to become members submit a paragraph stating why they want to be members to the club. Then they are voted on by the members and the faculty. The people that are chosen become pledges. When these pledges have fulfilled the requirements specified, they become members.

The Wampus Cats experienced a rebuilding year in 1966. With a team composed chiefly of sophomores, Conway showed promise of a bright future on the cinders.

Several outstanding performances were turned in by the '66 Cats. Chuck Jackson broke the school record in the shot put and went on to place second in

that event and first in the discus in the Meet of Champions.

Senior Don Hendrickson revised the CHS record in the pole vault and placed third in the Meet of Champs. Sid Smith, running third, was clocked in 1:58.4 in the 880 in this post-season meet. Lloyd Ryan set a new school record in the high jump with a leap of six feet and two inches.

Cross Country 1967

The cross country team is made up of dedicated young men who work during the fall while most sports attention is directed elsewhere.

The team worked hard and was rewarded with a second place finish in the District meet. They finished third in the State meet.

Senior Mike Miller was the team leader. He won a third place finish in the District meet and a second place in the State meet. The team is coached by John Simmons.

Once again the yearbook staff would like to express their appreciation to the CHS Student Body for their support in helping make the '67 Wampus Cat the best ever. Without their spirit and co-operation the annual would be of no significance to the students. We have tried to present an annual to reflect the spirit of the student body and its meaning to each of you.

Thanks go to the sponsor, Mrs. Arthur Dunaway, the advertisers, the students, and the faculty, all of whom have made this year's annual possible.

The staff has worked hard, but they have enjoyed the excitement of rushing to meet deadlines and the joy of completing each staff assignment.

We hope the spirit will spread and that the 1967 Wampus Cat will remain as a record of one of the greatest years ever at CHS.

Our hard-working editors?

Catherine Fitch, our competent business manager, discusses financial status with the sponsor, Mrs. Dunaway.

A typical hectic (?) day in yearbook class

*The memories of CHS will remain

of our feet did in the halls.*

Dear JRW,

I don't know what in the world
I'd do without you! I mean it too.
You're really the greatest male friend any
girl could have. I have enjoyed our
friendship more than my friendship with anyone
else. I can't believe it's about to come
to a close. Let's not let it, o.k.? I'm about
to cry! I can't believe I'm going to be a
Senior, I couldn't have made it through the
seventh, much less the 11th without you.
It's been so much fun! I guess you
know I've had a marvelous high-
school career, ha! I wish every other
girl could have fun too! I hope you feel
the same way about our friendship as I
do! Really and truly it's meant more
than I can ever say.

You're sweet, smart-(aleck) ha, good-
looking and every thing else! So stay that
way, and I have no doubts of ever
disliking you! I admit you could at least
have said my Beauty Queen Picture was
good, but I'll let that pass, because
I know you were just kidding, weren't you!

Well, I'll stop now, be good!!

Yas O'Fighting Seniors 68. (Boo hoo)

I love always,
Betty

Dear John Robert,

I'm so glad I talked to you yesterday about grapes & all I've found that things kept out - My sister you has seen a Diast & you know what a lossy of you I had.

I wish we could have sat by each other in Sociology & I at least we got to do that - sit together - even if we were opposing ones!

Don't worry of things like English, family situations, things you're looking too bright or the present time with your abilities there going to be a success I know.

I've really enjoyed being in classes with you 'cause you're a great guy!

Love,

It's been fun being

Dear John Robert,

Well, Speech has
been a blast this year
don't you think? We really
worked on all our assign-
ments, especially those panel
discussions!

We had a great time
working on "Prom 67" discor-
tions, too! It all added
up to a great Prom. I
don't guess I'll ever forget my
Junior Prom (How about you?)

P.S. I'll think about that
name!!

Dear John

Speech has been a blast this year. We all worked so hard and all. Lots of Luck in the years to come.

Dear John,

you are a very ^{sweet + cute} fun this year in Sociology. Give a great year. Stay that way always. Good luck in year '68. enjoyed having Latin with. Love

Always,

John

John,

It has been fun having speech with you this year - you're a nice guy with good personality - you have lots of potential + ability for success - and I know you will go far - Good Luck!

Hi John Robert,
How's life?
This sure has been a Great year! I hope everything has been going your way!
John Robert, I think you're very nice and sweet and I'm not putting you on. (as if you didn't know.) Hope I can see you some this summer. Be good and have a great time!

John Robert,
I've had a good time in Mrs. Claton's H. Room this year. We picked some pretty good cheerleaders. Remember the arguments the girls always had with the boys about the style show! Lots of luck as a "big senior" next year.
